You are going to love this Stephen Fuller designed, all brick, Berwicke floor plan with a water view. Enter into an elegant two story foyer with formal rooms on either side. The formal living room could be a home office area. Hardwood floors run throughout. The two story family room with fireplace is on the back of the home and there is access to the covered porch out back. The kitchen has finishes you would expect in a home of this quality. The generous sized first floor master bedroom means no steps, and it includes a beautiful master bath and large closets. Upstairs you will find four more bedrooms and three more full baths. There is no shortage of storage in this home. You will have a place for everything. The private back yard has a view of the Pagan river as you sit by the outdoor fire pit.
