You are going to love the open and airy feeling of this transitional styled home with screened porch and fenced in yard. The family room has soaring ceilings and lots of windows. Plenty of counter space and cabinet storage in the kitchen which adjoins a large eating area. The attached garage has been converted to living space and is heated and cooled. It would work well for a play room, home gym, or flex space. A two car detached garage is out back and is an awesome man cave with plenty of storage on the second level. Great back yard for entertaining with covered porch, hot tub and lots of privacy. This home is conveniently located near shopping, major work centers, and access roads. The square footage includes the heated and cooled converted garage which could be converted to 4th bedroom.
