Unit 2519 has 2 double beds which is more popular with guests and rents better than rooms with 1 bed. It's centrally located on the 5th floor above the lobby. Its top floor elevated location makes the most of the green mountain views and breeze. Adjacent to this unit is a lounge area with a couple of large couches, a dining table, kitchen sink, and a microwave for the convenience of visitors and owners who'd like to microwave some food or simply step out and have a private conversation. This unit is being offered as a turn-key vacation rental, fully furnished with central Air Conditioning. Electricity, water, trash, basic cable and wireless are included with the monthly maintenance fees.

Kauai Beach Resort is a great value compared to similar size units at Islander on the Beach (which has way less amenities).
