Beautiful hard to find 4 bedroom 2 bath 1 story home built in 2016 with Stone Fireplace and Hardwood Floors in all living areas. But the crown jewel is a very private back yard. This home backs up to Ledbetter Park and the back fence line is all mature native trees. Such a lot is very rare. A three foot extension to the garage allows for ample room to save that Texas size truck from sun and hail damage. The community amenities include Pool and Pool House, Splash Park and Playground. Shopping and dining are all around the corner on Hwy 380 and that includes the new Costco.
