Rarely does an opportunity come along to own a home of this caliber. Tom Cua has entered his interpretation of Southern Living Magazine's "Four Gables" in the 2019 BIA Parade of Homes at Evans Farm. Multiple awards and numerous compliments were gained from the thousands of Parade visitors. It all begins with the prominent corner lot just steps from the Evans Farm downtown and across Central Park. The front porch welcomes you to experience the feel of a seaside retreat. Solid white oak floors, ship lap siding, white-washed poplar ceilings, curly maple floating shelves, and a breathtaking 16 foot high peaked ceiling above the second floor landing, lend an exquisite feel to this super custom home. Once in a lifetime opportunity. Schedule your private tour today!
