This home was created to perfectly frame views of the Olympic Mt range & Hood Canal. You have to tour this grand waterfront home on 125 feet of shoreline because even the best photos cannot illustrate this setting. Spend your days harvesting Dungeness Crab and the freshest clams all in your front yard or hop on your boat and explore miles of Puget Sound shoreline. 8,500 square foot home with over 5,300 of ornately finished living space and over 3,000 more square feet of tall ceiling basement space.

- 5,318 of ornately finished living space
- 3,182 sq ft of tall ceiling basement space
- Grand waterfront home on 125 feet of shoreline
- Views of Hood Canal
- Views of the Olympic Mountain Range

University Place, WA 98466

## ABOUT MARK JOHNSON

I am a third generation Real Estate Broker and I began my career working for a competing company that once employed my father. I initially volunteered as an assistant and buyers agent with a local top producer, for over a year. I believe whole heartedly in the mentoring process, I did not want to just learn how to put together a few sales I wanted to learn how to be a great Realtor.
