Just beyond the plain of the San Joaquin Valley stretches a land whose character is that of rolling hills, giant oaks, lichen-covered granite rock with views of the surrounding countryside and Millerton Lake below. Creatively designed Craftsman home, works in harmony with its environment. The foyer leads to vaulted living space for great room and dining, and is followed by a generous kitchen with granite counters, stainless appliances, and birch cabinets. A spacious room for the active family, with views from the 1st floor. As you move to the 2<sup>nd</sup> floor you find three generous bedrooms including the master quarters. This home includes 9' high ceilings, numerous large windows bringing the outdoors in. This home is further enhanced by a energy efficient design and construction by GJ Gardner Homes. Buy now, and customize this home with your choice of color selection throughout.

<...
