Beautiful well maintained home that has been updated throughout! The sellers have even finished in part of the basement and currently use as a workout area as well as adding a bonus room upstairs! This open concept open floorplan features stunning exotic hardwood flooring and new lighting fixtures throughout. The spacious kitchen has tons of storage space, stainless steel appliances, and granite countertops. The master is a great size with a completely renovated en suite. The walk-in subway tile shower even has a seating bench! Plenty of closet space for storage needs and large additional bedrooms makes this a great home for your family! Seller will have flooring finished in downstair's bedroom this weekend (July 3-5). But don't wait to schedule your showing!

- Bonus Room
- Partially Finished Basement
- Half Acre Lot
- Exotic Hardwood Floors
- Spacious Kitchen Granite Countertops
