This showstopper has it all. The front porch & the beauty of the exterior will have you craving to see the inside. The builder upgrades in this 4 bed 2 story will not go unnoticed. Enter into a spacious foyer & let your eyes take in the sights. Engineered hard-wood flows thru the main level. The bonus room is currently a office yet could be used as a formal dining room, living room or 5th bedroom. Travel down the hallway to the open concept living, kitchen & dining. The beautiful stone fireplace is the focal point of the living room. The dining room sliding door leads out to the newly expanded concrete patio. The huge backyard contains a new storage shed & is fully enclosed w/ a vinyl privacy fence. Let's step back inside to the gorgeous eat-in kitchen w/ beautiful cabinetry, granite counters, breakfast island & large pantry. The gigantic master suite is hard to top! Walk-in closet, exquisite tiled walk-in shower w/ glass door, enormous soaker tub, dual ...
