This fantastic contemporary home in West Vail faces South with a view towards Vail Mountain. The main house is comprised of 5 bedrooms and 5 full bathrooms. Upstairs the house features three bedrooms, a beautiful great room with a vaulted ceiling, and huge windows overlooking the mountain, as well as a beautiful modern kitchen with great appliances. Downstairs in the finished above ground basement, there is a huge recreation room with a fireplace and a galley kitchen/wet bar with its own dishwasher. This room exits to the outdoor hot tub.

The lower floor also features two additional en-suite bedrooms, additional storage and a second large multi-functional room with large windows and French doors with direct access to the driveway. This room currently houses a piano and a ping-pong table, but is a versatile space and could easily be used as a Homeschool room, Ski Tuning workshop, Office, Home Gym, or Library.

The home also boasts a large 2 bedroom apartment, whi...
