You are going to love this all brick traditional home on a large corner lot. Enter in to an elegant two story foyer and see hardwood throughout the first floor. An office with built-in cabinets is on the left and a large dining room with plenty of wall space for furniture is on the right. Straight back is the step down family room with a two sided fireplace and a wall of windows on the back of the home. A sun room with built in wet bar just off the family room makes a great place to relax. The kitchen is huge. It has lots of granite counter top space for food preparation and ample cabinets for storage. Upstairs you will find a tremendous master bedroom suite and elegant five piece master bath with claw tub, large shower and double sinks. The master bedroom closet is so big it includes a built in vanity area. There are four more bedrooms. One adjoins a bath and two others have a jack and jill arrangement. Bedroom five is plenty big for play room, man cave, or home theater
