You are going to love this generous sized home on a large home site with a fenced back yard. Enter the home from a covered front porch into the foyer. To the right is a large flexible living area that could be a formal living, formal dining, pool table/ game room or play area. A home office is just off this flex space and a hall that leads to the dining area and kitchen. The kitchen has brand new appliances, lots of cabinets for storage and plenty of counter top area for food preparation. It is open to the family room with wood floors and a wood burning fireplace.
