Just 45 minutes from Austin, this Tillson custom home sits on a nice corner lot near downtown Lexington within walking distance of the famous Snow's BBQ (Texas Monthly Best BBQ in Texas). The Elementary, Middle, and High Schools are less than a half mile away. The circle driveway in front provides off-street parking for guests or extended family. You won't feel cramped in the spacious living room with vaulted ceiling that is open to the formal dining and breakfast nook. The front bedroom can also function as an office. The refrigerator, washer, and dryer will convey with full price offer. The back yard is big enough for kids and pets to play with room for a productive garden. The large deck is ideal for cooking out and parties. Schedule a showing today!

ABOUT DAN BRUNNER

Mr. Dan Brunner began his real estate career in 2008 after a 33-year career as a certified Paramedic in the field as well as supervisory and management positions. He dreamed of working in real estate since the 1980's. Dan hired an excellent mentor to assist him in starting up a real estate investment company, 3DMR Inc. in Arlington Texas. The business was named after those who motivate him t...
