Whether you already live here or looking to get out of the city for a slower paced lifestyle, this is the place for you. Enter into a welcoming entry with custom tiled floor and beautiful, textured walls. The open concept living, dining and kitchen are a family's dream. The arches and niches throughout this home add a special touch. The kitchen boasts loads of counter space which provides plenty of room for a family night of cooking fun. It features a safe room and a flex room off the kitchen to make your own. With 2 large backyards currently separated by a fence, there is plenty of room to enjoy the outdoors. There is a storage building and a well house (this needs to be reworked). Come see this beauty!

- Open Concept
- Flex Room
- Safe Room
- Spacious backyard
