Come and join one of the most premier neighborhoods in St Louis on Huntleigh Manor Lane in this luxurious home on an incredible 2-acre lot. The house boasts 12-inch-wide plank hardwood flooring throughout, reclaimed from a pre-Civil War era factory in Alabama. The completely remodeled open and spacious floor plan is rich with custom mill work and uncompromising quality. The kitchen boasts a 6-burner Wolfe gas stove and griddle, a 48-inch Sub Zero refrigerator, a premier nugget ice maker, dual dishwashers, granite counter tops, an authentic fossil backsplash, a custom metal hood vent, and a hand-crafted island built by a local carpenter, and opens up to a comfortable living room with gas fireplace. The tasteful main floor owner's suite entices you to unwind with an amazing view of the large old trees in the copse outside the window; and from the owner's bath you can step out of the glass surround shower to you...
