From the moment you drive up, you'll be impressed! Set back from the road, this Spectacular custom home, located on one of the larger lots (0.914 acre) in the gated subdivision is maintained to perfection. The attention to detail in the materials used to build the home are evident from the doors to the beams, hand scraped wood floors in the family room and interior finishes throughout. This two-story spacious home features a stunning office that has a stone fireplace, built-ins, and vaulted ceiling, ideal layout working from home!. Dining areas include a large formal dining, breakfast area and kitchen bar. The living room features hand scraped wood floors, soaring ceilings, a fireplace, upper level art niches, and a wall of windows overlooking the sparkling pool. The family room features a stunning stone fireplace, and hi...
