This nice spacious home has a wonderful open floor plan that is great for entertaining. This home has it all. A large kitchen with a counter type bar & plenty of room for in there for an eat-in area. The lower level has an inviting family room and a gas fireplace for those cold winter nights. Also, A/C is included for those hot summer days as well as a new water heater ! You don't want to miss this one! When you step inside this home, you are greeted with vaulted ceilings that makes the living room and kitchen feel even bigger. The open floor plan will make entertaining much easier. A generous sized kitchen will allow for an eat in area. Walk out to the patio for entertaining outdoors during the summer. The backyard is fenced in for the children to play or pets to roam. With a family room just a few steps down from the kitchen it allows for more space to stretch out. Four bedrooms and two bathrooms makes this a great family home. Conveniently loc...
