Very private setting and fabulous views of the nearby 14ers from this completely remodeled 2bd+ loft cabin. All new windows, skylights, flooring, decks, well, roof and much more. Very light and bright with all day sun beaming in. Great location with the State Wildlife area offering fishing and hiking across the street and Montgomery Reservoir right up the road. Larger 1.75 acre lot. Natural gas to be installed soon and only 20 minutes to Breckenridge. This cozy mountain home is really a must see!!
