Fall in love with this huge 3 bed, 4 bath townhouse in Littleton! This is the biggest floor plan in the entire community and this home was built by the better builder of the two that built here. There's a two-car garage, beautiful blossoming tree, and spacious front porch that greet you as you approach. Walking in, you're greeted by a large, sunlit living room that blends seamlessly with the kitchen and dining area which has mountain views. a door outside leads to a large deck which is great for soaking in that view and extending your living and entertaining space. Upstairs, there's a large loft and two very well equipped rooms. The primary enjoys even better mountain views and a large primary bathroom. The secondary bedroom doesn't skimp with it's own en suite bathroom. Downstairs is the real bonus. A walkout basement equipped with a kitchenette expands the possibilities within this home to a great degree. Use it as a guest suite, rec room, or a dedicated work-at-home office. However you use this home, you'll love the stone's throw proximity to shopping and dining as well as easy highway access. It's centrally located in a way that many love. Not too close in to be annoying, not too far out to feel remote. It's a great mix with many amenities close by including the redeveloped Southwest Plaza, Marston Lake, Robert F Clement Park and MORE! Worth mentioning are the brand new windows throughout and the smart thermostat ($ Saving money on utilities), as well as the k...
