511 SE Maynard Road is a wonderful split level sitting on a large 0.34 acre lot within walking distance of Cary High School and Cary Towne Center. Just minutes away from highways 40 and 440, as well as RTP, this house's central location gives it easy access to anywhere in the Triangle.

Home has 4 bedrooms, 3 full bathrooms, a large eat-in kitchen, a separate formal dining room with a chair rail, formal living room w/ french doors, and a separate family room or possible future "man cave" w/ a nice brick fireplace. With the exception of the bathrooms and kitchen, there are beautiful real hardwood floors flowing throughout the main level. The outdoor living space has tons of potential as well. There is a two-tier deck overlooking a tree-lined fenced backyard. There is a large patio beneath the deck that is can be used as a place to hang out to escape from the sun on those hot summer days or even as a storage area for your lawn equipment.

The home has been well maintained by the owners and is move-in ready. The house does need some updating and that has been reflected in the price.
