Beautifully Updated Rambler in Murray!

Tucked away on a spacious lot down a semi-private lane, this home has been beautifully landscaped and tastefully updated with fresh, neutral colors throughout. Inside, you'll love the open floor plan with durable LVP flooring, a cozy family room with an electric fireplace, and a stylish kitchen with quartz countertops and stainless-steel appliances.

One of the things that makes this home so appealing is the layout. The main-floor bedrooms are tucked away on one side of the house, offering privacy, while the kitchen, living areas, and laundry are on the other side, making it great for both everyday living and entertaining.

The main level also features a dedicated office or den and a raised back deck where you can relax and watch the birds and squirrels in the peaceful backyard.

Downstairs, the daylight walkout basement offers tons of possibilities, with three bedrooms, a full bath, family room, and a second kitchen. Whether you're thinking of a mother-in-law suite, Airbnb, or rental, this space is ready and with plenty of parking, it's easy to accommodate guests or tenants.

Priced below appraised value! The home has been inspected, and repairs are already done. Sold as-is. Buyer to verify all information.
