Finally, your search is over! At over 900 square feet, this large condo features an open floor plan with a connected kitchen, living room, & dining room. Four large double panned vinyl windows in the bedroom & main living room allow for bright and abundant sunlight. A highly desirable characteristic is the presence of two full bathrooms! The kitchen has a beautiful granite counter top with stainless steel appliances. The master suite is massive and includes a walk in closet. Walking distance to the beach, restaurants, and nightlife.

This condominium is located in the Pacific Shores complex located on Turquoise Street across the street from Blazin Grille and only several blocks to ocean.
