Rare opportunity to own a beautiful home in the coveted Crawford neighborhood of downtown Steamboat Springs. This former home of Olympian Marvin Crawford has some of the best views of any location in Steamboat! Four bedrooms, three baths and a three car garage located in a quiet setting make this the perfect primary family home or second home. The open main level is ideal for entertaining - spilling onto the large deck with hot tub. Each upstairs bedroom has its own private deck access and stunning views encompassing Buffalo Pass, Mt. Werner and the Steamboat Ski area. A gracious number of windows and glass doors throughout allow the light to pour in creating a warm and inviting environment. The great room on the lower level provides a second entertaining space with warm soapstone gas stove and unique, indoor climbing wall. Many upgrades have been completed including tongue and groove aspen ceiling, granite-slab kitchen countertops, slate flooring, and built-in floor-to-ceiling shelves for AV or library use downstairs. The mature landscaping includes a gorgeous aspen stand and evergreens surrounding a private front porch area with log swing. Located within walking distance to all of downtown, the Yampa River, library and area schools, this is an absolute must-see home in a hard to find setting.
