This two-story home is exemplary of the Queen Anne style and is a "Painted Lady" (Victorians painted in three or more colors that highlight the architecture's ruffles and flourishes). It features a hipped roof with lower cross gables, elaborate surface decoration on the gables including a fish scale pattern and radiating sunburst motif, an elaborate bay window, half width porch with turned posts and lathe-turned "spindle work" gingerbread, patterned masonry chimney and a diamond-shaped window. The gables also feature elaborate painted decoration.
