This beautiful home is spacious and open. Five generous bedrooms include one set up as a media/theater room. Main level has lovely Golden Tasmanian Oak floors throughout. Formal living and dining room, family room, eat-in area, kitchen with walk-in pantry, separate laundry and mud room, plus large home office and powder room complete the main floor. The kitchen is open and has great style and functionality. Pretty granite counters and designer back-splash complement the cherry cabinets (and there are tons of them). Large island has extra storage and the black appliances (fridge is negotiable) finish the workspace. Upstairs, the two story foyer brings in more light to the landing area. There is a large tiled shared bath. The master suite has a huge bedroom with sitting area, double closets with closet systems, double vanities, separate shower, jetted tub and separate toilet room. Three garages with extra storage shelving (workbench does not remain). Patio and large level backyard with wood privacy fence complete the property (playset is negotiable). Freshly painted exterior and neutral interior paint and carpet. Great family neighborhood has easy accessibility to Canton Marketplace and commuting routes. Neighborhood amenities include pool, tennis and basketball. This home is immaculate and shows beautifully. You'll feel 'at-home' immediately!

Small\_316628

- Beautiful, Open & Spacious floorplan
- Hardwood floors throughout main
- Fenced level backyard
