SERENE SOPHISTICATION on 1.5 acres. You'll find it hard to believe you're in Fort Washington! This solid stone rancher has picturesque bay windows and multiple sets of sliding and French doors, providing fantastic views of the professional landscaped grounds from any room. A covered flagstone front porch welcomes you to this sophisticated home, surrounded by lush greenery. The over-sized formal living room has a beautiful, traditional fireplace with cherry mantel and granite front. Cook until your heart's content in the gourmet kitchen, under skylights which provide lots of natural light. Tons of counter space, a working island, double ovens, and an extra counter with prep sink are ready for your culinary skills. There is also a breakfast area with doors to the patio. The formal dining room has a tray ceiling, glass wall sconces and a chair rail that complete its elegant look. The office/ family room has a built-in, cherry office system which sits at the back of the house, overlooking the property. Need a break from your workday? It's just steps away through the sliding glass doors onto the flagstone patio. Relax while looking at the Koi Pond and listening to the sound of running water in this serene space. There are four bedrooms and 3 full baths. Three of the bedrooms are on one side of the house including the master. The master bedroom has a walk in closet and a large master bath with stall shower, Jacuzzi tub, double sink and another walk in closet. The mas...
