PERFECT RURAL LIVING IN THE TOWN OF EATON!

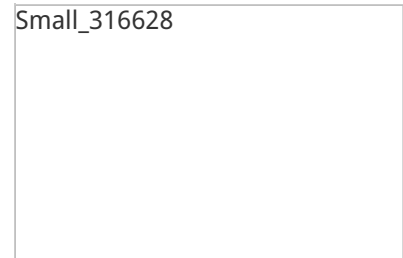

This 1680 sf home built in 1900 and nicely updated through recent years, features a spacious kitchen and dining area with new flooring, plenty of cupboard and counter space, a stainless steel refrigerator, a black electric stove & over the range microwave. The main floor of this well maintained home also has a living room with sliding glass door to the concrete patio, a bedroom, 2 full bathrooms, mud room at the back porch and convenient 1st floor laundry. The split staircase will lead you to a large landing upstairs with 2 more bedrooms and a small room perfect for a nursery or office. All upper windows are brand new, as are most on the main level.

The acreage runs long, not deep as you can see in the plat map in the photo gallery. 813' long x 241' deep. Property is served by a mound system and updated well, has 200amp service to the home and an additional panel in the garage.

A Must See Drool-worthy Heated 2.5 stall Garage was added to the existing 3 stall garage in 2010 making this property home to 5 stalls of garage. Complete with it's own Bathroom, Refrigerator, Stereo Surround, wall of cabinetry, workbench, ceiling mounted air hose and reel and drop down stairs to access plenty of storage space above! There is a service entry door for access into the attached 3 stall garage. Most certainly room for even the biggest collector of recreational toys or cars!
