Sold: Charming Pool Home In Indio's Desirable Las Brisas North Community

This beautiful home has sold. If you're a buyer looking for a similar property, we can help you find it. If you're a seller thinking about selling your home, we can sell it too. Either way, get ready to move.

Absolutely charming 3+ bedroom and 3 bathroom home located in the gated community of Las Brisas North offers an open floor plan, large primary suite with "bonus room", tile floors (other than wood plank look floors in the family room and one bedroom), family room fireplace and soft, muted desert paint colors throughout. Two additional bedrooms (one located off of the kitchen with an adjacent bath) are well positioned in separate areas of the home to allow for maximum privacy. The wall between what was the fourth bedroom and the primary bedroom was removed to make a primary bedroom bonus room, but could be reinstalled to make the fourth bedroom. Kitchen features warm wood cabinetry, an island with breakfast bar and breakfast nook. Adjacent family room with wood plank (look) flooring includes fireplace, media cabinet and slider access to the pool. Beautiful backyard space with pool & mature landscape offers plenty of room for entertaining and relaxing. There is also a gated side yard suitable for RV parking. This home is located minutes away from world class golf, tennis, dining, shopping and music festivals.
